5. Fees Due: \$4137.00 [] Water impact fee for residential 1 inch line.
\$_____ [] Water connection fee = actual cost plus 20% *

*The cost of the physical connection to the town's Culinary Water System shall be determined by the actual cost to the Town for labor and materials, including the meter, to complete the connection. The Town will estimate the Town's cost to make the connection, advise the customer applicant and require payment in the amount of the estimate prior to connecting the customer applicant property to the Town water system. If the prepaid estimated cost was less than the actual cost, the balance due over the estimated cost or the entire cost, is due within thirty (30) days of the date of the billing statement unless other arrangements are made with Town Officials. Failure to make payment within said thirty-day (30 day) or other agree period, may result in the termination of water service, as provided in Subsections 6.3.2.1 to 6.3.2.3 of the Amalga Town Utility Ordinance. Any over-payment of connections costs shall be refunded by the Town within thirty (30) days of the final inspection and acceptance of the connection work.
